Dear Mr. Pedram Amani,

2021 CAP University Prize Exam

I am very pleased to have the honour of informing you that you have come in third place in the 2021 CAP University Prize Examination. This examination is designed to challenge our upcoming physicists and you have quite clearly proven your capabilities in placing in the top three out of 61 students.

Please send us your complete mailing address (including postal code) at your earliest convenience, but no later than December 15th so we can send you the prize certificate and cheque.

On behalf of the Canadian Association of Physicists, I would like to thank you for participating in our prize examination and congratulate you on your achievement.

Best wishes for continued success in the pursuit of your career.

If you are not already a member of our Association, why not take advantage of our free undergraduate affiliation or free trial membership for graduate students? Membership application forms can be found on the CAP website at <https://www.cap.ca>.

Yours sincerely,

Francine M. Ford
Executive Director
